Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Thursday 25 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain Friday morning. Becoming colder.

This Evening and Tonight:
Any showers dying away to leave a largely dry, clear and cold night. However, later in the night cloud, outbreaks of rain and strong winds will spread in from the northwest. Minimum temperature -1 deg C (30 deg F).

Friday:
Cloudy and windy during the morning with outbreaks of rain. Clearing to sunny spells and scattered showers. These will be occasionally heavy and wintry across the Peak District. Cold. Maximum temperature 7 deg C (45 deg F).

Outlook for Saturday to Monday:
Very windy and cold Saturday with showery outbreaks, occasionally wintry inland. Brighter and less windy Sunday as showers fade away. Becoming milder Monday with cloud and rain spreading east.
